

## **Greg Anderson 1959 – 2017**

***Greg Anderson the former Managing Director of Sports Nutrition and Supply Chain was involved in a hit and run cycling accident and sadly passed away this month.***

Greg's journey with Ascendis started in 2014 when Pharma Natura was acquired by Ascendis Health, and Greg was brought into the Group to establish and manage the extended supply chain function as his expertise spanned over a 25 year period.

Throughout his time with us he embraced all the challenges and there was never a situation that Greg couldn't explain using a sports analogy.

Our favourite quote from Greg will always be:

***"We didn't lose the game, we just ran out of time"***

This quote encompasses Greg's approach to life and work, as he would never give up and always strived to achieve the impossible which was evident in the 9 Cape Epic's that he not only successfully completed but reached the podium.

Greg's passion for life, his family and achieving success was admired by all and will continue to inspire us for many years to come.

Greg will be dearly missed by the many friends he made throughout his career and life and our condolences go out to his wife Colleen and their three children.

Rest in peace Greg
